## Home Visits

From the week beginning 2nd July the Gorton Primary School team will start home visits. Home visits are standard practice for Nursery and Reception pupils entering school in September. Mrs Harvey the schools Child Protection Officer and Mrs Jones one of the Reception teachers will be making home visits at pre arranged times. Home visits give school the opportunity to share important information with you and also gives you the opportunity to ask any questions. School are currently awaiting delivery of resources for the new school. As soon as these have arrived we will be holding stay and play sessions with staff and pupils so that your child can feel what it will be like to be in school in September. During this time you will be able to meet your child's class teacher, the Early years Lead and the Principal Miss Williams. We will send letters out inviting you to the stay and play sessions shortly.
