

Gorton
Primary School

Dear Parents and Careers

I would like to take this opportunity to introduce myself and welcome you to Gorton Primary School. Gorton Primary school is a brand new primary school opening in the Gorton area in September 2018. Having being the Principal at our very successful sister school St James in Gorton for 3 years, I am very proud to be moving just down the road to be the Principal of Gorton Primary School, working in partnership with Vantage Academy Trust and supported by a highly skilled and dedicated team of teachers and support staff.

At Gorton Primary School we can offer the very best standard of education to all of our children and a positive, safe and welcoming learning environment to all. We believe that there is no limit to what our children (and adults!) can achieve; we strongly believe in providing all children with exciting, creative and meaningful learning experiences, which inspire hope, ignite the imagination and instil a love of learning.

At Gorton Primary School, we believe it is crucial to involve the children, their families and the wider community as partners in education. Children learn best when there are strong links between home and school and so here at Gorton Primary School we encourage families to work in partnership with us to successfully help each child to achieve their full potential in order ensure success.

At Gorton Primary School, we are also dedicated to building a whole school community which thrives on mutual respect and values positive relationships. All members of the Gorton Primary School Team ensure to provide a calm and stimulating environment where 'green' behaviour and mutual respect is modelled by everyone and where everyone is valued, always.

I hope you enjoy finding out more about our school by browsing our website. Visits to school are encouraged and welcomed: we would be delighted to show you around. We also pride ourselves on open communications, so if you have any questions or comments, please feel free to contact school or visit the school website. We will be in contact with you shortly to arrange a home visit to meet you and arrange a suitable time for you to come and see our new school environment.

I look forward to meeting you.

Miss Rhian Williams
Principal
