Home time

Please can we ask parents to be patient with us at the end of the day at hometime. The teacher will call your child as we see you and hand them over through the door. If you have a question for staff please wait with your child until the rest of the class have gone when we will be happy to help. Please don't wave or call your child out to you as we have asked all of the children to stay seated until staff call their name.

Lateness

It's important that the children are here on time for their bubble as lessons begin as soon as the register is completed. If for any reason your children will be late for their bubbles you will need to bring them through the main reception and wait with them until staff are able to take them to their classroom.

As you may know attendance and punctuality play a very big and important part in your child's school life. Here at Gorton Primary we are dedicated to ensuring our children get the best education possible for them. This means we will do whatever we can to support and assist our families wherever possible with attendance/punctuality.
