## Bubbles re-opening

We would like to thank all parents for their co-operation through the closure of year groups this term. We understand the difficulty of isolating however we are following the government guidance in doing our best to keep your children safe. We are very grateful to parents for collecting your children as quickly as you have done when we have shut the bubbles during the day.

As we have closed Reception / Year 1 and Year 2 and all children and staff are self isolating, all children should have been sent home with a seesaw log on which will give them access to online classes provided by their teachers. If you are having any issues please message your class teacher on Class Dojo where they will be able to support you in this matter.

All 3 bubbles should return to school on **Monday 2<sup>nd</sup> November** at normal times.

## COVID 19

I would like to thank parents and carers for your continued understanding and support during these unprecedented times. Please can I remind parents that if you child has any of the following symptoms then please **DO NOT** bring your child to school.

1. High temperature or
2. A continuous cough or
3. Loss of taste/smell

If your child has any of these symptoms, please keep them at home and call 119 to arrange a Coronavirus test, and call school to inform us of the situation.

At Gorton Primary School we will do our best to keep parents informed on the health and well-being of our pupils.

Can I please ask that **ALL** parents please remember to keep social distancing measures in place whenever you are on school property.
