UNICEF Rights Respecting School Award

This year at Gorton we are working towards becoming recognised 'Rights Respecting School' by achieving the UNICEF Rights Respecting School Award. This award supports what we believe at Gorton Primary and that is putting children and their rights at the heart of our school. In order for us to achieve this award, we will be putting the United Nations Convention on the Rights of the Child (UNCRC) into practice within the school and beyond, through our dedicated Rights Respecting Team.

If you would like more information about the UNCRC please visit:
