

Gorton Primary School – Newsletter 2 - 2021

Our Covid requirements will remain the same so please can all parents ensure they are wearing a face covering when on the school grounds, please follow our one way system when dropping and collecting your children and please follow government guidance of keeping a safe 2 metre social distance.

Can we please remind parents to submit their choices for school dinners for the following week by the Friday 2pm as we have to send the numbers to the kitchen so they can order the correct stock. If you don't submit them by this time your child will receive a Jacket Potato with Beans/Cheese for the following week.
