

Gorton
Primary School

Dear Parents and Carers,

As the members of the school council, we are looking forward to representing the children at Gorton Primary school and to make sure that everybody has a chance to have their ideas listened to and their opinions taken seriously.

We have been talking about our school badge and why it is special to our school. We have learned that we have elephants on our badge to remind us of the elephant Maharaja, who walked all the way from Scotland in 1872 to Belle Vue, with his keeper Lorenzo, where he joined the circus.

In year 2, we have been learning about habitats in science lessons, and we know that African elephants are endangered. We would like to raise some money so that we can adopt an African elephant to help it to survive.

We sent a letter to Miss Williams asking whether we could have a non-uniform day and she said yes!

On Friday 11th December, we can come into school in our own clothes and bring in 50p. The money we raise will be to adopt our elephant.

We are sending you a copy of our letter to Miss Williams so that you can read it.

Yours sincerely

The School Council
