

Gorton Primary School – Newsletter 2 - 2020

We thank you all for your continued support as we work together in keeping everybody safe through these unprecedented times. As the numbers of infections of Covid continue to rise in our area we are requesting that parents wear masks when on school grounds as per government guidance. As we have large groups of people coming through the school at key times we would be grateful if you could support school by wearing a mask on school grounds. This is to ensure the safety of our pupils and staff. It is not necessary for the pupils to wear masks at this time. We thank you for your understanding in this matter.

Weekly Attendance

Every Friday moving forward the class who have the best attendance for the previous week will win themselves a Friday treat.

Congratulations to our Reception J class who were the winner of attendance last week. Unfortunately our reception bubble has had to close for two weeks however don't worry you will all have your treat when you return to school on the 08/10/2020.

This will now be a weekly activity and we look forward to announcing next week's winner!

Reading Books

Currently we are following all government guidelines to ensure the safety of our pupils, staff and parents at school. As a result of this it is not possible to send reading books home at this time. This decision has been made as a Trust. However we do have an online book reading system called bug club where we have assigned reading books to pupils. We will be sending home your login details and a step by step guide early next week so that you can access these resources.

COVID 19

I would like to thank parents and carers for your continued understanding and support during these unprecedented times. Please can I remind parents that if you child has any of the following symptoms then please DO NOT bring your child to school.

1. High temperature or
2. A continuous cough or
